

Hostel Policy

Students residing in the hostel are expected to maintain discipline, cleanliness, and respectful behavior at all times. Hostel timings must be strictly followed, and students should inform the warden in advance in case of late entry or absence. Any activity causing inconvenience to other residents may lead to disciplinary action.

Visitors are allowed only during designated visiting hours and must register at the reception before entering the premises. Students are responsible for the behavior of their guests while inside the hostel. Unauthorized visitors or overnight stays without approval are strictly prohibited.

Hostel property including furniture, electrical appliances, and common facilities should be handled responsibly. Any damage caused intentionally or due to negligence will result in penalty charges. Students must also avoid the use of prohibited substances or activities that violate hostel safety rules.
